AN ABLE DISCOURSE.

Dr. MacArthur Addresses a Large Congregation.

The services of the Christian Church, at Harmony Hall Sunday evening, filled the hall to overflowing with those desirous of again listening to the eloquent words of Dr. Robert S. MacArthur, of the Calvary Baptist Church, New York City.

The Doctor's theme was taken from the 12th chapter of Isaiah and the 4th chapter of the gospel as recorded by John, "Wells of Salvation." The wells of salvation alluded to in the text might be taken to mean God the Father, God the Son, and God the Holy Spirit; but the speaker preferred to put a more liberal interpretation upon the words. The words in the text were used elsewhere in the Bible to denote that which might bring joy, peace, happiness, comfort, etc. The Holy Bible was the well referred to by the speaker at length and he paid an eloquent and fervent tribute to that holy Word, the library of holy books compiled by over forty authors, the foundation of our civilization, of our literature and of our law; its perfection is shown in the fact that it is human as well as divine, just as Christ's perfection is shown in his human and divine nature. The speaker profoundly pitied those whose contempt for the Bible only showed their ignorance, and whose ignorance only kept them from experiencing the highest and in fact the only perfect joy. The Sabbath day is another well of salvation in the observance of which we are likely to err on the side of too great laxity. The speaker's ideas were dressed in such well-chosen words and embellished with such apt illustrations as to hold the close attention of the congregation to every word and sentence of his earnest discourse. A number of the congregation expressed their desire, at the close, of leading Christian lives.

In response to the thanks of the pastor, Rev. Mr. Garvin, for the treat given the congregation in the delivery of such a sermon as would remain long in their memories, Dr. MacArthur said that he had come a long distance out of his way to visit Honolulu in this the beginning of his trip around the world, and that he would never regret it. The hospitality and kindness shown him in this city would ever remain with him a pleasant memory.

Disease Threatens to Cut Short a Noble Career

But Hood's Sarsaparilla Restores Good Health.

Little May Bentley is an accomplished elocutionist and natural born speaker of only 12 years of age. She is the only child temperance lecturer before the public. Her genius, however, did not exempt her from an attack of a disease of the blood. Her own words best tell the story: "C. I. Hood & Co., Lowell, Mass."

"I heartily join with the many thousands that are recommending Hood's Sarsaparilla. I had been troubled from infancy with gatherings in the head. I was compelled to leave school upon the doctor's advice. He thought it was the only thing to save my life, but I

Continued to Grow Worse.

I was persuaded finally by a friend to try Hood's Sarsaparilla. The use of one bottle acted ef-

MRS. AUG. DARROW.

WELLS, RICHARDSON & Co.,

Gentlemen:—I was very much run down, had no appetite at all, was very nervous, had no sleep night or day; to sum it all up, I was perfectly wretched. But thanks to Paine's Celery Compound I can now eat and sleep and work just as well as I could before I was taken sick. When I commenced taking the Compound I weighed 136 pounds; I now weigh 168 pounds and do all the work for my family of five. I have recommended the Compound to three families already and they are very much pleased with it. I am now taking my fifth bottle, and would recommend it to all who are suffering with stomach trouble or nervous trouble.

Yours respectfully,

MRS. AUG. DARROW.
